

These are exciting times for The Wordsworth hotel having been purchased by The Garside Family who have been hoteliers in The Lakes for more than thirty years.

This historic 4 star hotel which has welcomed American Presidents, Royalty and world famous poets over the years stands in its own spacious landscaped riverside gardens in the heart of Grasmere village next to the church and with superb views from the comfortable lounges, conservatory, heated indoor swimming pool and terrace.

The Wordsworth offers first-class facilities and service for those seeking luxury accommodation, good food and a perfect peaceful setting.

Lakeland's world-renowned literary sites are all within easy reach and Wordsworth's home at Dove Cottage is only a short walk from the Hotel.

There are great walks from the hotel, from gentle strolls around the lake to Fairfield Horse Shoe, Helm Crag and Helvellyn, we are happy to advise and have maps.
